## "REVIEWING THE SITUATION"

This year's summer production, although hopefully humorous in content, contains underlying currents of sanity and criticism of our daily lives.

The first half includes a series of improvisations concerning the themes of LOVE and COMEDY including some musical items. The conclusion to this half is the annual STAFF REVUE - so you have been warned!

The second half is a musical entitled "The Prophet".

Altogether one hundred and five pupils will be taking part in this production - some as actors, some as singers and others as backstage workers - I hope this will prove to be a valuable experience for you, the audience.

Producer
